Master Ambition (formally Lambs of Light), a ministry outreach program of Arts in Action, is known for their passionate and professional performances that exude adoration for our Lord and acknowledges God's saving love. The touring company is comprised of children ages 7 to adult who are dedicated to bringing the Gospel message using the artistic gifts God has blessed them with. Collectively the company members worship at fifteen different churches of various denominations and participate by invitation in this unique and powerful ministry that brings the Word through movement.

Founded in 2005, the vision of Master Ambition is to walk in obedience where He sends us to perform; whether it is in a church or ministry setting or in a civic, private or other venue using the creative arts in excellence and with integrity in the Name of Jesus. Our performances include being featured on Daystar Television Network, Clay Center Holiday Concert, Dancing Amazing Grace and New York New York With Landau Murphy at the Clay Center, dancing for the WV Division of Culture and History to raise funds for children in the arts and many others.
